

11th Annual Faith-Based Small Business Summit SPONSORSHIP/EXHIBITOR PACKET

AmPac Tri State Certified Development Company, in conjunction with the U.S. Small Business Administration, the Small Business Development Center, the Inland Empire Women's Business Center, and a host of other partners, is hosting its TENTH Annual Faith-Based Small Business Summit – MAKING THE CONNECTION BETWEEN FAITH & BUSINESS on Thursday, October 11, 2018 at the Riverside Convention Center, located at 3637 Fifth Street, Riverside, CA.

The event targets business owners and prospective business owners in the faith-based community in the Tri-County region of San Bernardino, Riverside and Orange Counties, identified by the U.S. Census Bureau as the fastest growing metropolis in the country. Faith-Based leaders from more than 1,500 faith based organizations, representing over half a million parishioners, will be invited. Banks and financial leaders will also have be invited from throughout this area.

The purpose of the Summit is to tangibly and practically promote the President's Faith-Based Initiative by inviting faith-based leaders and their "business owner" and "entrepreneur" congregants to a conference that will be educational, motivational and practical for sustaining, growing and expanding a business and support the economic vitality of our local communities. The Summit will include information on the extensive resources of the U.S. Small Business Administration, and will provide practical tools for business owners on accounting and finance, marketing and sales; and learning from business owners who have been successful. This conference targets business owners and non-profits at all stages of development and provides strategies for growth that can be immediately implemented. A number of business leaders will be showcased at the conference who have modeled the positive economic and community impacts that businesses and organizations make when they Connect Faith and Business.

Responding to the needs and requests of local Pastors, the Summit will also include a Faith Based Leaders roundtable where leaders will be equipped with resources for making a difference in their communities and serving people who need a "difference maker." We are inviting faith based leaders from throughout the tri-county region, as well as several service providers for non-profits to be a part of the Summit.

The Summit is a great marketing opportunity to reach hundreds of influential community leaders and business owners who serve in the fastest growing metropolis in the country. We would like to take this opportunity to invite you and your company to be a part of this exciting event. Our sponsorship packages are listed under tickets.

Thank you in advance for your support of the ELEVENTH Annual Faith Based Small Business Summit – MAKING THE CONNECTION BETWEEN FAITH & BUSINESS. So that you can make the most of this marketing opportunity. Please note, reservations close on October 10th, unless we sell out prior to this date. If you have any questions, you may contact the AmPac CDC office at (909) 915-1706 or e-mail dwhisler@ampac.com or fax (909) 752- 3140.

Sincerely,
